

In Helsinki, we are lucky to have access to the sea and the wonderful things it has to offer. In practice however, many go by their daily lives without the chance to experience gazing into the horizon or feel the wind in their hair.

Through sailing, the link between the Baltic Sea and the citizens at its shores becomes stronger, through the daily reminders of what the sea can give us, but also what we must do for the sea.

HSS is not only a yacht club or a sailing center, as we also organize **Open Island Days** at our scenic Liuskaluoto headquarters for anyone and everyone interested in sailing or in a unique maritime experience, only 5 minutes from the bustling city center.

At our Open Island Days, we collaborate with companies and stakeholders, who believe in our values of teamwork, leadership and preserving our spectacular maritime environment. As the event takes place on two consecutive days, there are several possibilities for collaboration on all fronts, from music, food, sponsorships to showcases.

Whether you would like to show your support for the protection of the Baltic Sea or present your sailing gear for our newbie sailors, we would be happy to talk and find the best way for your company or organization to participate.

Please contact Mikael Aminoff from our HSS Business Cooperation team to learn more. You can reach him at +358 400 412 805 / partners@helsinksailing.com.
