HELSINKI SAILING

## BRING YOUR TEAM OR CLIENTS TO THE SAILING DAY

Invite your team or clients and their families to the island to enjoy family-friendly sailing day in June. The sailing day is Finland's biggest junior sailing event with almost 200 juniors competing against each other and there is a lot happening on the side of the event on our island. By coming to the island that day you can learn about what sailing is about, enjoy summery day with your team or clients and their families, follow the competitions and try sailing. Sailing related activities on the island are a great way to boost team spirit, improve teamwork and offer new learning experiences.

We can always compose a suitable sailing day experience to your needs and hopes! Here are some things we can include to your day:

- have a guide explaining the sailing day activities and competition
- tour around the island
- maritime lunch in HSS Paviljong Restaurant or pizzas at Skiffer
- children can test sailing on a dinghy in the Merisatama dock area with a guide
- cheer the competing juniors and follow their competitions
- have a team or client meeting in one of the HSS meeting rooms

There is a lot going on the island that day and it would be fun to have you there too! If you got interested, we are more than happy to help you in finding the right solution to your needs!
